

### Summary of TEAM's Parks Programme

1. One TEAM aldermanic candidate to be found who is dedicated to an expanded parks programme and who will defend Parks Board budgets at Council.
2. TEAM to press for more parks on the EAST side of the city.
3. TEAM to extend the present heavily-used beaches of the city and to preserve them from pollution.
4. TEAM to incorporate in its programme for civic amenities a Botanical Garden, which may eventually become, because of climate, Canada's National Botanical Garden.
5. TEAM to field candidates for election to the Vancouver Board of Parks and Recreation.
