

## TEAM COMMUNITY SERVICES POLICY 1976

Policy paper approved at Policy Meeting, 10th April 1976

### OBJECTIVE

To develop healthy, visible communities in the City.

### SPECIFIC METHODS

1. Define community so that all agencies delivering services use the fourteen community service area boundaries.
2. Endorse the principle of community services offices making use of existing organizations and funding.
3. Endorse the concept of an officially recognised local area council for each service delivery area.
4. Encourage and support local citizen participation in ALL area planning - Social and Physical.
5. Encourage and educate local citizens to a responsibility for the City as a whole as well as local needs.
